

## ARE YOU THINKING ABOUT SOCIAL SECURITY?

If you are expecting to claim social security in the future, there are several helpful planning tools. We recommend creating an account on the Social Security Administration site: [ssa.gov](https://ssa.gov). The [Retirement Estimator](#) gives estimates based on your actual Social Security earnings record.

Additionally, our team has written a few blogs about Social Security. You can access them here:

 / [Making The Most of Your Social Security Benefit](#)

 / [4 Reasons For Delaying Social Security](#)
